

Join us for an informative and lifechanging conference on **Friday, October 17 and Saturday, October 18, 2008** at Westview Christian Center, 2624 W. Hwy. 56, Cedar City, UT.

Facinating guest speakers will enlighten your mind, touch your heart, and challenge you to look beyond your traditions to the truth of God's Word.

Truth Seeker's Outreach has a mission to present God's truth in a loving and open manner to Mormons questioning their faith. We are here to provide a safe place to ask questions and receive answers without pressure or argument, and to disciple those who want to know more about the Bible. We believe that the LDS people should study their doctrine to see if their testimony is based on truth or tradition. Most of all we are here to help them find a real and true relationship with Jesus Christ our Lord and Savior.

October 17 & 18, 2008

## Key Note Speaker

**JIM SPENCER** is a Christian author and lecturer. He formerly pastored an evangelical church in Idaho Falls, Idaho for nine years. Prior to entering the ministry, Rev. Spencer enjoyed a broad business background, including employment on several newspapers and as a news-writer for Associated Press. Rev. Spencer is nationally recognized as an expert on the cults.

Spencer is the author of seven books -- all of which (more than a quarter of a million books) are currently in print -- including the following:

- *Beyond Mormonism: An Elder's Story* (Chosen Books, 1984)
- *Have You Witnessed to a Mormon Lately?* (Chosen Books 1986)
- *Hard Case Witnessing: Winning 'Impossibles' for Christ* (1991)

Jim has published articles in many leading Christian and secular magazines and lectures throughout the country. Spencer lives in Boise, Idaho with his wife of 40 years, Margaretta.

**SCOTT PETERSON** is the founder and Director of Defending Your Doorstep Ministries, an outreach that trains Christians to defend Biblical Christianity against the attacks of the Jehovah's Witnesses and Mormons while sharing with them the true gospel of Jesus Christ in an effective and loving way.

Scott will receive his Master's Degree in Theology from Michigan Theological

Seminary in December and has been involved in counter-cult ministries, research and apologetics since 1994. He has authored two books, *Solving the Mormon Puzzle* (Sarge Publishing 2007) and *The Watchtower Illusion* (Sarge Publishing 2008). *Solving the Mormon Puzzle* represents an innovative new approach to defending the Christian faith against the claims of Mormonism as well as sharing the true gospel of Jesus Christ with Mormons.

Scott has shared his experience, research and methods with high school youth groups, adult education classes, missionaries and as a guest lecturer to seminary graduate students. He is a regular guest on several radio shows across the United States

Scott lives in Michigan with his wife of 10 years, Shannon, and their two sons, Chase (8) and Tyler (6).

**SHARON TAYLOR** was an active member of the LDS church with family ties going back to the early days of the church. However, after a long study of the LDS scriptures and the teachings of its prophets, she left the church of her heritage. In the process of searching for the truth, she

found the Lord Jesus.

Sharon, her husband David, and their four children, have all come to the Lord. She is a mentor for women in transition from the LDS church and works closely with the Institute of Religious Research and Maze Ministry.

Sharon and David direct Truth Seeker's Outreach in Cedar City, Utah. Their hope is to reach all those seeking the truth of Christ Jesus and looking for discipleship.

## Guest Speakers

**JOANNE BLAINE** was a convert of the Church of Jesus Christ of Latter Days Saints where she was a member for 16 years. She has served in a variety of positions in "The Church": the Primary, Relief Society, Scouting program and Sunday School teaching Gospel Doctrine. The documentary, *DNA vs. the Book of Mormon*,

began her exodus out of the LDS church. With the support of Jim Spencer, Sharon Taylor and others, her personal studies led her to reading and trusting the Bible in its entirety. Joanne currently attends a supportive, spiritually thriving evangelical Christian church where she serves in the music ministry. Joanne also runs a support group for inactive and ex-Mormons in Southern California.

**SUSAN RAY SCHMIDT** was born in Southern Utah in 1953 to LDS parents. During her early childhood, her family joined the Le-Baron fundamentalist offshoot in Colonia LeBaron, Mexico. Susan became a plural wife at age 15. During the next eight years, her eyes were opened wide to the heartaches, trials, and confusion of fundamentalist Mormonism. She escaped with her five

children when she was twenty-three. Susan remarried at age 27. She and her husband, Dennis, moved their large family to Idaho and soon became Christians. She spent the next several years writing about her life as a child-bride. *His Favorite Wife, Trapped in Polygamy* is today one of Amazon.com's top-rated books on polygamy.

Susan has seven grown children and is a grandparent to 14 grandchildren.
